Saint of the Week-St. Camillus-Feast Day July 18

“St Camillus de Lellis lived in a particularly complex time, in which a deep longing for holiness but also a tenacious resistance to Gospel-inspired living were widespread. With his rich personality and his witness of charity, he offered the society of his time valuable encouragement for spiritual renewal, thus contributing in an original way to the project of Church reform promoted by the Council of Trent. His life, under the influence of the Spirit, appears as a marvellous story of the love of God, the Creator and Redeemer, who reveals in a special way his tender compassion as the physician of souls and bodies.”

Family Perspective

Cell phones, emails, faxes, texts and voice mails can reduce our lives to a continual series of interrupted moments. Listen to Jesus in today’s gospel: “You are anxious about many things” robbing us of the precious time needed to BE with others. Quality time is QUANTITY time.
