Question of the Week What part of myself that I've become attached to in a self-centered way can "die" so that I will clear more space in my heart and my schedule for love of neighbor?

Introduction to the Liturgy of the Day

As we draw close to Holy Week, we hear Jesus talk about his approaching death. Yet his message to his disciples is not so much about his death as it is about eternal life. As Christians, we know that as difficult as death is, our true focus, our true hope is in eternal life, trusting that our Lord is our source of eternal salvation. During this final week before Holy Week, let us keep in mind that just as our Lenten journey will not end with Good Friday, but with Easter, so too does our own life's journey end not in death but in new life

May your troubles be less and your blessing more.
